ASSIGNMENT RELEASE AND FINANCIAL AGREEMENT

It is very important for you to know your insurance deductible and percent patient responsibility. You should review your insurance coverage or call your insurance company to review this information.

Problems related to your hearing and balance requires special attention. Diagnostic studies are performed through our office and these include VNG (ENG) and hearing tests. Additionally, we may perform procedures such as ear cleaning.

When you receive a statement from your insurance company describing a procedure/diagnostic study, please be advised that this refers to an "in office" procedure or diagnostic study performed during your **office visit.** Depending on your insurance plan, these charges may be applied to your deductible. (It is important for you to know your insurance deductible and percentage responsibility.)

Assignment Release and Financial Agreement

I hereby authorize treatment and agree to pay all fees for such treatment. I hereby authorize my insurance benefits to be paid directly to the provider of services and I am financially responsible for non-covered services. I authorize the medical provider to release any information requested. I understand that my insurance may deny payment for any reason including, but not limited to the following services: services not provided by my primary care provider and services not authorized or covered by my insurance company. If the primary care physician does not provide the referral in cases where it's required, then the specialist visit may not be covered.

I acknowledge that failure to meet my financial obligations may result in referral of my account to a collection agency.
